# Acrylic Painting

## Description:

This course offers an excellent way to start painting in acrylics and is aimed at beginners (should be able to draw) to intermediate level.

This course is designed for students who want to receive practical painting techniques and tips. With demonstrations to create texture, interesting background patterns and much more, students will learn the essential techniques of acrylic painting. After the initial two weeks of technique exercises, students will paint from ordinary photographs to produce paintings using a step-by-step process.

Helena Fann is an international acrylic artist. Website: [www.helenafann.com](http://www.helenafann.com)
