# **Basic Painting Techniques (ages 8 – 10)**

## **(Painting with Acrylics, Watercolours and Pastels)**

### **Description:**

Students will be introduced to the basics of painting. With individual instruction at their easel, students will learn a variety of acrylic, water colour and pastel painting techniques to create landscapes or still-life compositions.

All abilities are welcome.

### **Materials:**

**New students should talk to the tutor prior to the first class to discuss the materials needed.**

This is likely to include:

- Canvas (tutor to advise)
- Set of acrylic paints (tutor to advise)
- Set of acrylic brushes (tutor to advise)
- HB pencil
- Soft putty or soft normal white rubber
- A3 drawing pad
- Once the student is ready to try watercolour or pastels, the tutor will advise on additional materials needed

It is recommended that you wear old clothes or bring an apron as working with acrylic paint can get messy!

If students are unsure regarding materials it is recommended that you ask for guidance before purchasing. I am very happy to guide you in making your purchases from the Art shop which is on DUCTAC premises.
