# Basic Acrylic Painting

## Description:

Under the guidance of a professionally qualified art tutor, students will learn various basic painting techniques from how to correctly hold a brush, an understanding of colour, light and dark tones to perspective, 3D effects and the basics of composition. With individual instruction at their easel students will produce a variety of paintings in different styles. Suitable for all abilities.

## Materials:

**New students should talk to the tutor prior to the first class to discuss the materials needed.**

This is likely to include:

- Canvas (tutor to advise)
- Set of acrylic paints (tutor to advise)
- Set of acrylic brushes (tutor to advise)
- HB pencil
- Soft putty or soft normal white rubber
- A3 drawing pad

It is recommended that you wear old clothes or bring an apron as working with acrylic paint can get messy!

If students are unsure regarding materials it is recommended that you ask for guidance before purchasing. I am very happy to guide you in making your purchases from the Art shop which is on DUCTAC premises.
