Design on Canvas (Kids/Teens)

Description:

Under the guidance of a professionally qualified art tutor students will have the opportunity to explore their creative potential at its best. They will learn how to apply acrylic paints in a variety of ways to create different effects which can then be enhanced with coloured liners, sequins and textured materials to create individual and unique artworks.

The ability to draw or to have had some previous art experience is not necessary.

Materials:

- Drawing pad
- 2B or B Pencil
- Putty rubber or soft normal white rubber
- Sharpener
- Canvas in varying sizes
- Liquid liner in a variety of colors
- Acrylic paints
- Acrylic brushes
- Different color, size and shape sequins
- Craft glue
- Gold or silver foil (dependent on design – up to student)

It is recommended that you wear old clothes or bring an apron as working with acrylic paint can get messy!

If students are unsure regarding materials it is recommended that you ask for guidance before purchasing. I am very happy to guide you in making your purchases from the Art shop which is on DUCTAC premises.
