660	6:30 PM	9:30 PM	4	3	NONE

Type of course: On-going (enrolment at any time depending on vacancies)

Watercolours for Beginners

Description:

This course is for complete beginners in watercolour. Students will discover the magic of paint and water interacting with white paper, the transparency, the delicacy and the freshness of this medium.

In the beginning I will cover all the basic techniques of watercolour painting. Students will get to know their watercolour pigments, cool and warm colours, how to mix them and how to avoid muddy colours. Without an understanding of how colour works, you cannot produce a fresh, transparent and spontaneous painting.

We will also look at composition, tonal values (lights and darks) and glazing and you will learn how to lay washes and work wet-into-wet. As students progress I will introduce more advanced techniques in watercolour.

Materials:

- A block of cold pressed watercolour paper 16 x 12" 300 gsm or a sheet of cold pressed watercolour paper
- A Watercolour board
- Flat Brush 1" Sceptre Gold Winsor and Newton
- Round watercolour brushes nos. 4 and 8
- Tubes of watercolour paint: Aureolin Yellow, Winsor Yellow, French Ultramarine, Cobalt Blue, Cerulean Blue, Alizarin Crimson, Cadmium Red, Yellow Ochre, Burnt Sienna, Burnt Umber, Winsor Green
- Watercolour palette. Choose one with plenty of large compartments for mixing washes
- A roll of wide gummed brown paper
- 2B pencil
- Putty eraser
- A rag or an old T-shirt
- A household sponge
- 2 water containers

If you have any questions or if you are not sure about the materials, please contact Maruska between 10 am – 6 pm. There is an Art shop on DUCTAC premises where you may buy materials.
