Materials: Discuss with Samah prior to attending				

Type of course: On-going (enrolment at any time depending on vacancies)

Painting in Oils & Watercolour

This course is taught in Arabic

Description:

This class will focus on the detail of form, colour and palette. Become familiar with the medium & learn the basics of colour mixing, brushwork and composition.

Personal preference of medium and style will be up to the student.

There is no experience necessary for this class.

Materials:

New students should talk to the tutor prior to the first class to discuss the materials needed.

Materials are likely to include:

Oils

- Set of oil paint tubes
- Titanium white tube
- Canvas size 50cm x 70cm (or similar)
- Set of oil brushes
- Thinner & Turpentine (+ mixing holder)

Watercolour

- Or set of watercolour paints
- Set of watercolour brushes
- Watercolor sheets, boards or pad (A3 or A4)

General

- Palette
- Pencil, sharpener & eraser
- Source material, pictures, photos or ideas for your painting

This materials list is not exhaustive and students will require additional items as the course progresses. These can be purchased at the Art shop at DUCTAC or from local art shops or supermarkets.

It is recommended that you wear old clothes or bring an apron as oil paint will stain clothing.

If students are unsure regarding the art materials it is recommended that you ask Samah for guidance before purchasing.
