[Please contact the tutor prior to registering for a class.](#)

**Type of course:** This is an on-going course, enrolment at any time depending on vacancies.

# Exploring Sculpture

## **Description:**

This 6 week programme allows students to explore a variety of sculpting techniques. It is aimed at those who have always had an interest in three dimensional art but have never attempted sculpture. Those just wanting to learn something new and hands-on and to experiment with different materials and techniques are also welcome.

Types of sculpting techniques that can be explored:

- Carving in plaster
- Relief carving in leather-hard clay
- Carving in soapstone
- Carving in polystyrene
- Wire sculpture
- Clay modeling
- Mould-making and casting in concrete
- Assemblage from junk objects
- Sculpting with plaster

## **Protective Clothing:**

Students must expect to get messy in this class and are advised to wear old clothing as well as old shoes and to bring a large apron, overalls or a baggy tee-shirt to wear as protective clothing.

Students are also expected to clear up their own areas.

## **Required Materials to be brought in by student:**

- Medium sized plastic containers eg ice cream tubs or Tupperware preferably deep and square
- Cotton cloth
- Paints as required – tutor can advise
- Transparent dry-cleaning bag or bin bag (large) – to wrap work and keep it moist
- Pencils and sketch pad
