Oil Painting- Beginners	This oil painting course provides a thorough grounding in the basics of oil-painting, introducing students to a variety of different techniques and providing a host of tips that even many 'professionals' don't know. You will gain an understanding of colours and colour mixing, the importance of light and different forms of lighting, warm and cool colours and their effect on mood and atmosphere in a painting, colour (aerial) perspective and creating distance and the importance of VALUE – that is, the lightness and darkness, or strength, of colour. <b>Oil Painting Beginners is a Syllabus course while Beginners to Advance is an on going course.</b>	Thursday	9:30 am - 12:30 pm	1320 AED for 8 consecutive sessions
Oil Painting - Beginner to Advance		Wednesday	2:00 pm - 5:00 pm	
Perspective Drawing Made Easy	A picture that is well drawn but badly painted is almost certain to be better than one that is well painted but badly drawn, this is why you need to learn about perspective. This class will show you the importance of perspective in every aspect of realistic drawing and painting. You will discover that perspective drawing is very SIMPLE dispelling your fears of tackling what you feel is difficult. Topics will include linear perspective with practical demonstration of how objects appear to get smaller with increasing distance from the observer, alternative methods for drawing a row of equally spaced objects, change of viewpoint and 3rd vanishing point, the concept of aerial perspective – how colours, details and values (contrast between light and dark) change with distance, circles, cylinders, cones in linear perspective, reflections and shadows. <b>This is a Syllabus programme with a minimum of 6 students to start, please check with Arts Reception.</b>	Wednesday	9:30 am - 12:30 pm	1650 AED for 8 consecutive sessions

Watercolour for all Levels	The chief characteristic of watercolour is its transparency and in 'pure' watercolour painting this is exploited to the full. Unlike the painter in oils who can lay lighter paint over dark tones, the water colourist must work through from the lightest tones to the darkest. It is the transparent pigment which gives pictures in watercolor the brilliance and sparkle which sets them apart from other styles of painting. This medium can be enjoyed by all abilities from Beginners to Advanced. You will be guided you step by step from still life or pictures, depending on preference.	Monday	9:30 am - 12:30 pm	660 AED for 4 consecutive weeks
Acrylic Painting Techniques & Mixed Media	This course will allow students both new to art or more experienced to express themselves in less conventional or restrictive forms. Students will learn how to apply acrylic paint in a variety of ways to create different effects which can then be enhanced with coloured liners, sequins, gold or silver leaf and textured or natural materials such as charcoal and sand. The options are endless and exciting enabling you to create individual and unique artworks. The ability to draw or to have had some previous art experience is not necessary. Students may also concentrate purely on acrylic painting if they wish.	Monday or Tuesday	9:30 am - 12:30 pm	660 AED for 4 consecutive weeks
