# Drawing and Painting for Kids (5 – 9 years)

## Description:

This course is designed to encourage creativity in your child and will introduce the principles of drawing and painting. Students will be taught free hand drawing, and the various shading techniques. Students will paint from pictures using a step by step process and will be encouraged to go to the next level in their artistic creativity by learning different techniques and using textures in their painting.

## Materials:

- HB, 2B, 4B, 6B pencils
- Set of coloured pencils
- Eraser
- Sharpener
- Canvas in varying sizes
- Long ruler
- Sketch pad (A4)
- Set of Acrylic Paints
- Set of Acrylic Brushes
- Disposable plastic glasses (for water)
- Disposable plastic plates

It is recommended that students wear old clothes and bring an apron or a baggy T-shirt to protect clothing as working with acrylic paint can get messy and will stain.

If students are unsure regarding the art materials it is recommended that you ask for guidance before purchasing, Reema will be pleased to advise you.
