

Ebtisam Abdulaziz, Gallery of Light exhibitor 2007

GALLERY OF LIGHT

Gallery of Light is situated within Dubai's multi-disciplinary arts centre DUCTAC. The gallery is concerned with exhibiting arts practice that is evolving and experimental and collaborating with under-represented artists regionally and internationally.

CALL FOR APPLICATIONS - ART RESIDENCIES

Artists are encouraged to apply, who wish to consider their practice from new perspectives, in a city rich with inspirations and a vibrant art network.

STUDIO ACCESS

Art Residents have access to a large studio with natural light 10am - 10pm [Fridays 2pm - 10pm] with staff on-site daily.

ACTIVITIES

To support new dialogue with UAE arts institutions and the public, the gallery creates introductions and opportunities for Residents to share their studio practice.

Residencies can last minimum 4 - maximum 8 weeks.

EXHIBITING

Celebrating the outcomes of the Residency an exhibition or interactive public event is held and this is co-curated and publicised by the Gallery.

PERMANENT COLLECTION

Before departure each Resident is asked to join our permanent collection, through the gift of a work on paper.

FINANCE

We provide studio space and hotel accommodation.

All artists must be able to privately fund the following:

- Local and international travel plus visas or medical insurance
- Daily living expenses and all art materials required for regular studio practice

APPLICATIONS

Disciplines of Ceramics / Painting / Drawing / Community-arts / Writing / are encouraged to apply

Artists please email 300dpi digital images x5 / Writers please email essay samples x5

State 2 workshops you would lead based on your practice

Attach a current CV which includes -

- 1 professional referee with their contact details
